

# #DWYD™ gives

Did you know that over 3,000 children come through the doors of the MILWAUKEE CHILD ADVOCACY CENTER annually?

## Helping Children in Our Community!

The #DWYD Toy and Book drive benefits the Milwaukee Child Advocacy Center (MCAC) which is affiliated with Children's Hospital of Wisconsin. The #DoWhatYouDesire lifestyle brand is headed by Joshua Scarver. His purpose in doing this drive every year is to prove to himself and inspire others, that anyone can take an idea and make an effort to help their community in a positive way. "It is my dream to keep growing the #DWYD Toy & Drive to even greater successes and bringing more of the community and its businesses, organizations and leaders together to bring positive change to our city of Milwaukee and beyond. Anything and everything is possible."

The donations provide comfort, distraction, and reassurance to victims of child abuse and neglect during a time of true crisis. Each child and teen that visits the MCAC is offered a toy and a book at the conclusion of their visit. These items are given with the message that they are special and someone cares about them.
